We are much more affected by the words which we hear, for though what you read in books may be more pointed, yet there is something in the voice, the look, the carriage, and even the gesture of the speaker, that makes a deeper impression upon the mind.

Superintendent Dwight Miller, who has been associated with WHS for about thirty-five years, coordinates the program of the Watertown public schools.

Seniors Remember . . .

. . . Footsteps — shuffling up the stairs, pounding into the classrooms, stamping on the bleachers, fading into quietness. Why be concerned about footsteps?

Footsteps were indeed vital to the seniors of WHS. When the typical upperclassman did not have his "foot in his mouth," he found it had other uses which were much more beneficial. For instance, what would Ki-Yi Day have been without the footsteps of the marchers and the bands and the royalty? How exquisite would the Tuck Formal and the Prom have been without the footsteps of the dancers? How impressive would the grand finale of Ki-Yi Kapers have been without the footsteps of the multitudinous cast winding its way to the stage to sing "Ki-Yi Kapers is over"? How fabulous would the winter and spring music concerts have been without the footsteps of the choristers mounting the risers? How successful would the Teens Against Polio Drive and the Heart Sunday Canvass have been without the willing footsteps of the student volunteers? Finally, how stirring would the graduation ceremonies have been without the footsteps of the seniors marching to the strains of "Pomp and Circumstance"?

Yes, footsteps played an important role in the lives of the seniors of WHS. Even though the footsteps have left the halls of the old school in a mellow quietness, the impression of these footsteps will always be imprinted upon the memories of the seniors of '62. These impressions will guide the seniors on to new and more glorious footsteps — the giant steps of life.

National Merit finalists are Wayne Melander and Roger Stoltz.

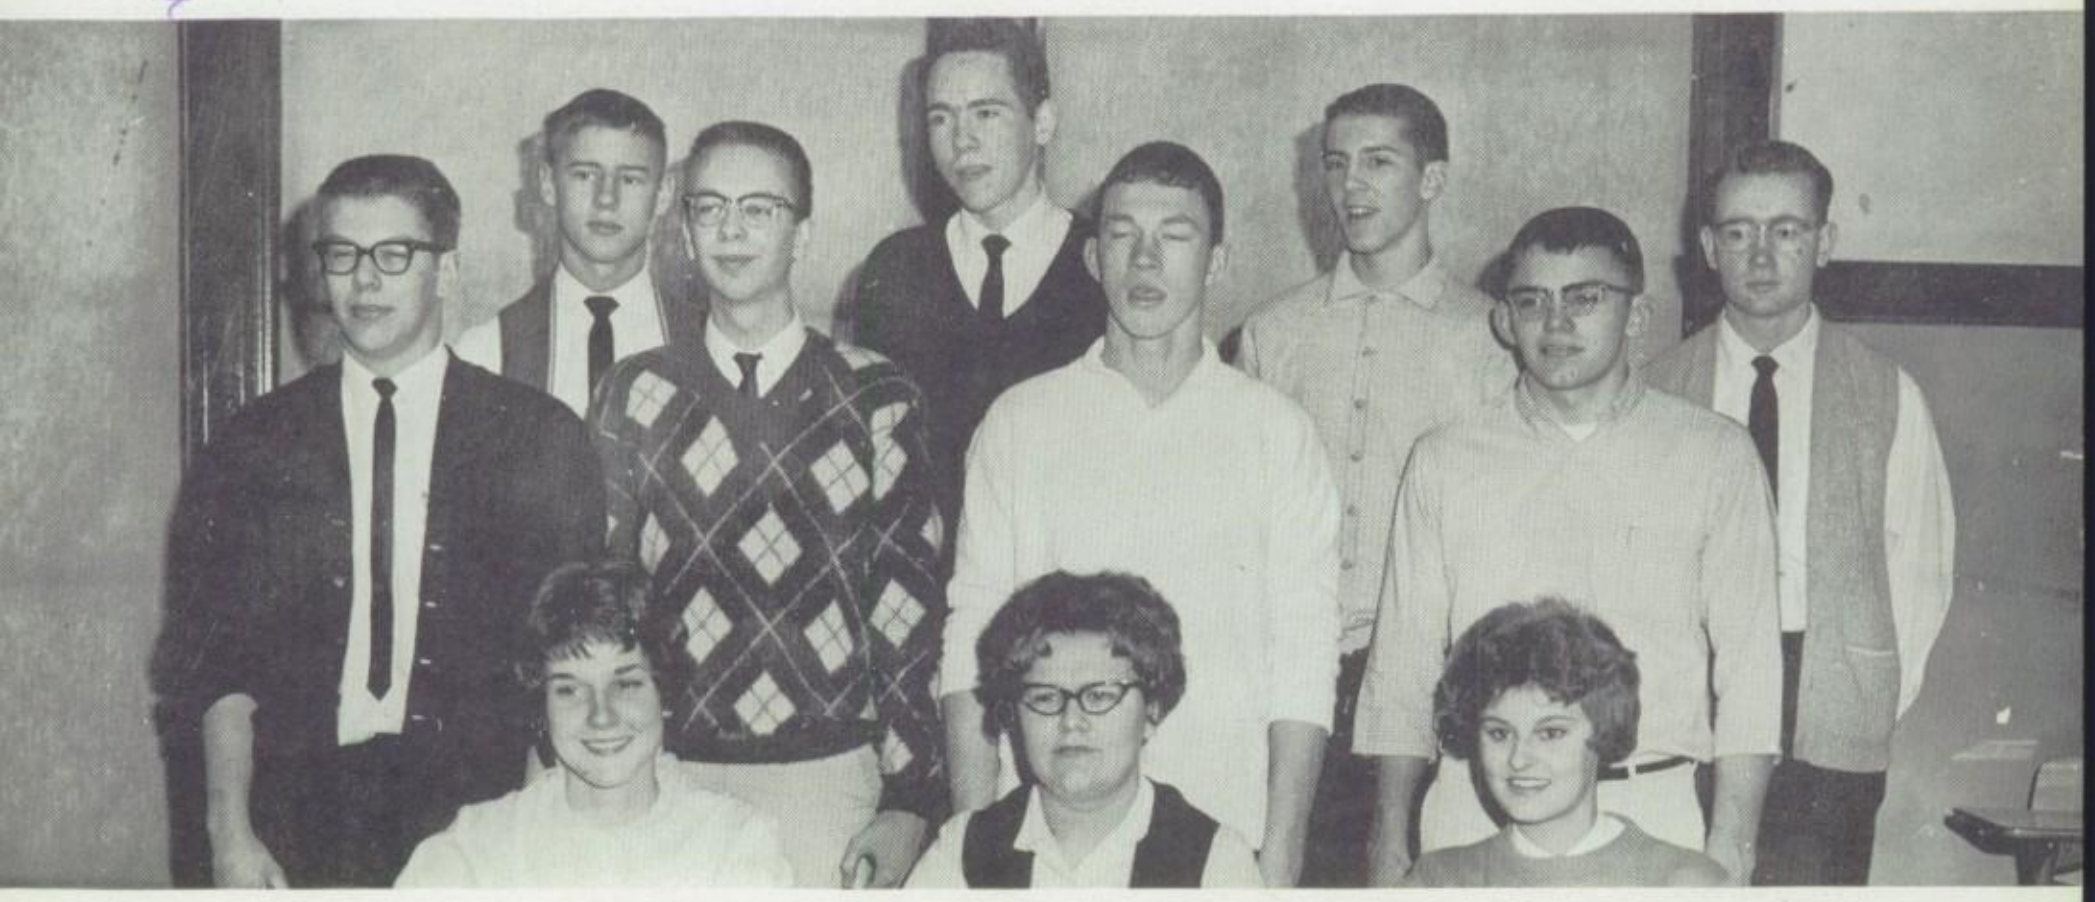
A vague impression of boring meetings usually enters one's mind when he thinks of Boys' State or Girls' State. Just what does happen at Boys' and Girls' State?

Each summer Boys' and Girls' Staters are chosen from the junior classes of schools throughout South Dakota. The staters spend a week on a South Dakota college campus learning about and actually participating in South Dakota government. During the week the staters organize governments on the city, county, and state levels.

Besides gaining practical knowledge of governmental functions, the staters also had a lot of fun. For example, every stater made a host of new friends, who usually turned out to be loads of fun. Staters agree that much was learned, but also much was done — just for fun!

Accomplishments Credit to WHS

Boys' and Girls' State representatives are, first row: Barbara Lenz, Patty McCullough, and Kathy Larson. Second row: Roger Stoltz, Gary Guenther, Russell Price, and Jerry Bergan. Third row: Steve Ries, Wayne Melander, Frank Tangren, and Howard Warriner.



BONNIE BADENOCH'S high school days were highlighted by a trip to Turkey under the AFS Summer Program. She has made her experiences in Turkey even more rewarding by relating them to the student body throughout the year. Besides her "Turkey Talks," Bonnie was active in the music groups at WHS. All in all her friendly smile and intelligent conversational abilities have made her a very representative senior.

FRANK TANGREN, in his efforts to better himself has also contributed much to WHS. Frank has excelled in journalism, sports, and school in general. His perseverance and sense of humor also add to the reasons Frank was chosen as a representative senior.

Representative

Busy is the best adjective for PATTY McCULLOUGH. She has been an active varsity debater as well as an officer of student council, NFL, and the senior class. Patty's grand personality and fine attitude make her a favorite at WHS.

WAYNE MELANDER'S accomplishments are as varied as they are amazing. For instance, Wayne is a General Motors Scholarship finalist, a member of the Ki-Yi royalty, and a member of the varsity cross-country squad. Along with his brilliance, Wayne possesses a fine attitude. All in all Wayne is very deserving of the honor of being chosen a representative senior.

KATHI GRAY had an accident, but she was certainly not a "sore thumb" to WHS. Kathi has displayed her many abilities by presiding over Tucks and supervising the acts of Kapers '62. Kathi's reputation for always being ready to tell a "good one" makes her one of the best liked senior gals at WHS.

Seniors of '62

Senior Class President **STEVE RIES** has displayed his leadership abilities throughout his high school career. Besides leadership Steve has shown a real desire to better WHS through his participation in debate, declam, and student council. Steve's cheerful smile and friendly disposition add to the things that make him a representative senior.

KATHY LARSON has qualified for the honor of representative senior by maintaining a high scholastic average and excelling in many activities. She was chosen as a Student of the Month and elected girl mayor for Student Government Day. Because of her genuine interest in others, Kathy is the type of person everyone is proud to have as a friend.

At WHS wherever **MARY ANN CORBIN** is, there's bound to be fun! Mary Ann's bubbling personality and ready wit have contributed much to the gaiety of life at WHS. Activities such as future teachers, dramatics, and Masque and Thespians have also qualified Mary Ann for the honor of representative senior.

Ability and leadership in the field of sports would be adequate to qualify **DOUG STONEBARGER** for the honor of representative senior. But Doug, not satisfied to excel only in one area, is also active in WHS's music groups, Student Government Day and Kapers. Finally, Doug's winning personality and willing attitude mark him as a truly well-rounded individual.

RUSS PRICE, a consistent member of the honor roll, has added much to the prestige of WHS through his participation in sports and his excellent all-around attitude in school. Russ has shown his talent in the all-school plays and music groups. Russ, then, has all the qualities which make him a representative senior.

Class of '63 Remembers . . .

. . . reliving the battles of the Civil War and discussing current events in American history. Both phases of our history, the old and new, were recognized as important facets of the year's studies.

English III students remember studying Poe, Bryant, and Sandburg in literature or trying to conquer those difficult theme assignments the night before they were due.

Advanced Algebra class also held the ticket to some "forget-me-not" experiences. "What a conglomerate mess one can get just using x, y, and z" might have been the thought which went through more than one student's mind during the year.

Perhaps some of the fondest memories were formed in the ever-popular chemistry lab where the students received a first-hand study of "what the world is made of." Although test tubes were broken, and acid was spilled, the amateur scientists agreed that valuable information was gained.

These significant memories were developed in the classrooms at Watertown High School. However, other events which took place out of the classrooms were also important sources for memories. Some of the events included: initiation of "Baby Tucks," Tuck Formal, exciting ball games, Ki-Yi Kapers, annual prom and banquet, the play, "Our Town," and the class-sponsored play.

Yes, 1961-62 was a memory-filled year — a year which has created a prominent impression in the minds of the members of this class. Nevertheless, the juniors are looking forward to next year when they will be the upperclassmen and the leaders at WHS.

Sophomore Class Adds 292

The largest class ever to enter WHS holds as one of its characteristics quality as well as quantity. This year's sophomores have demonstrated their salesmanship in their magazine drive, their artistic ability in their winning Ki-Yi float, and their intelligence in their taking part in the accelerated math program.

Mr. Melvin Hanson, the class adviser, has many good reasons to be proud of his group. After the usual "lost" feelings, the sophomores enthusiastically participated in the various school activities which include music, athletics, and debate. Not only have their cheerleaders added to the support of the football and basketball teams, but the class as a whole has contributed "noise."

Among the sophomores' other memories are Ki-Yi Kapers, biology labs, and becoming acquainted with the building, the teachers, and — the homework assignments.

The upperclassmen wish them luck as they continue their high school career, a career which they have begun on the right foot.

Ki-Yi Attendants Add to Legend

LYNN REESE AND JIM RUHE

"Drum beat, drum beat, hark to the drum beat" . . . that was the chant of the Masque and Thespian members for the 22nd annual presentation of the Ki-Yi Legend. The legend, originated by Miss Florence Bruhn, is the story of two Indian tribes, the Kione and the Yi-Wa-Wa on the shores of Lake Kampeska. Legend leader, Dave Spolum called forth the maidens and warriors and presented the 1961 Ki-Yi Princess, Chieftain, and Chief of Arrows. This Ki-Yi Day ceremony no doubt left a lasting impression in the memories of many students.

Seniors Sponsor Our Town

A nearly barren stage made the presentation of Thornton Wilder's OUR TOWN an unusually difficult task for the all-school cast. Lighting and a twelve voice choir played an important role in dramatizing life in Grover's Corners, an early twentieth century New Hampshire town. Pantomiming also contributed to the effectiveness of the performance. Despite the difficulties faced, the cast under the direction of Rudy Stradinger presented an expert performance.

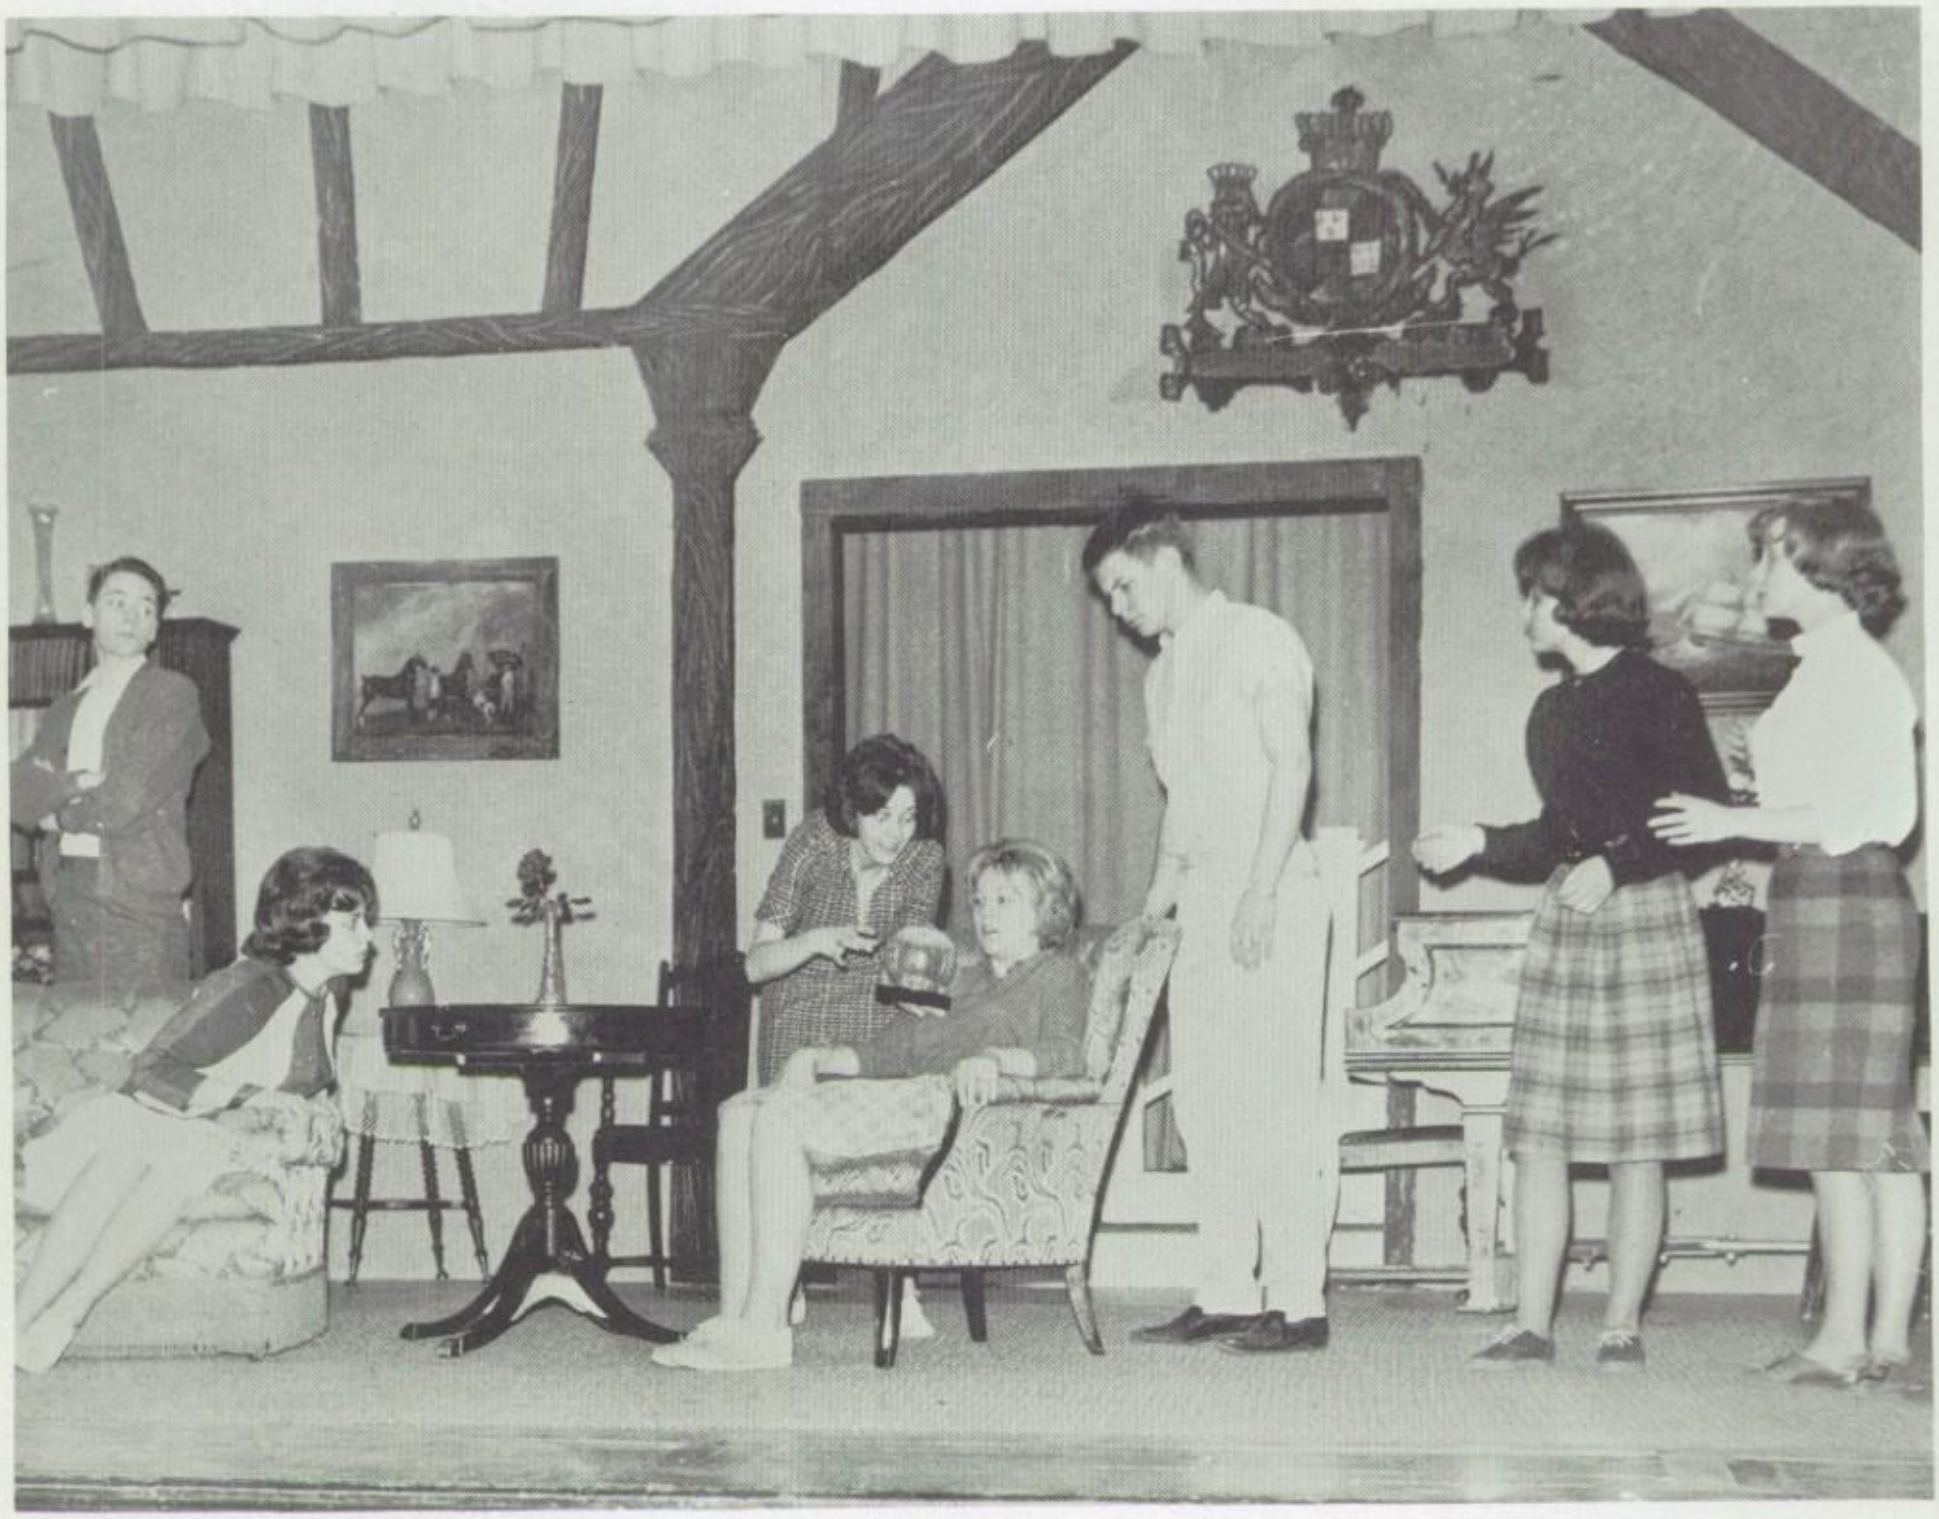
Juniors Sponsor BLITHE SPIRIT



Approximately sixty WHS students contributed their talent in the all-school production of Noel Coward's BLITHE SPIRIT. The play, a sophisticated comedy with a British touch, dealt with the supernatural occurrences in the life of an author, Charles Condomine.

As the play opened Condomine was haunted by the spirit of his first wife, Elvira. The plot thickened as Elvira killed Condomine's second wife whose spirit also haunted him. Madame Arcati, a seance artist, made frequent contacts with the spirits much to the amazement of the maid Edith and the family friends, the Bradmans. The play ended when Condomine finally ridded himself of the influence of the spirits.

The set, designed and built by the drama class, depicted the living room of a British middle-class home. Besides those participating in acting and set designing, many students were also active in prompting, publicity, art work, lighting, and sound effects, all of which added to the excellence of the production. Under the superb guidance of Rudy Stradinger, the performances of BLITHE SPIRIT were indeed memorable.

Ethereal Elvira, Elaine Hanson, startles Edith, Marlys Schaefer.

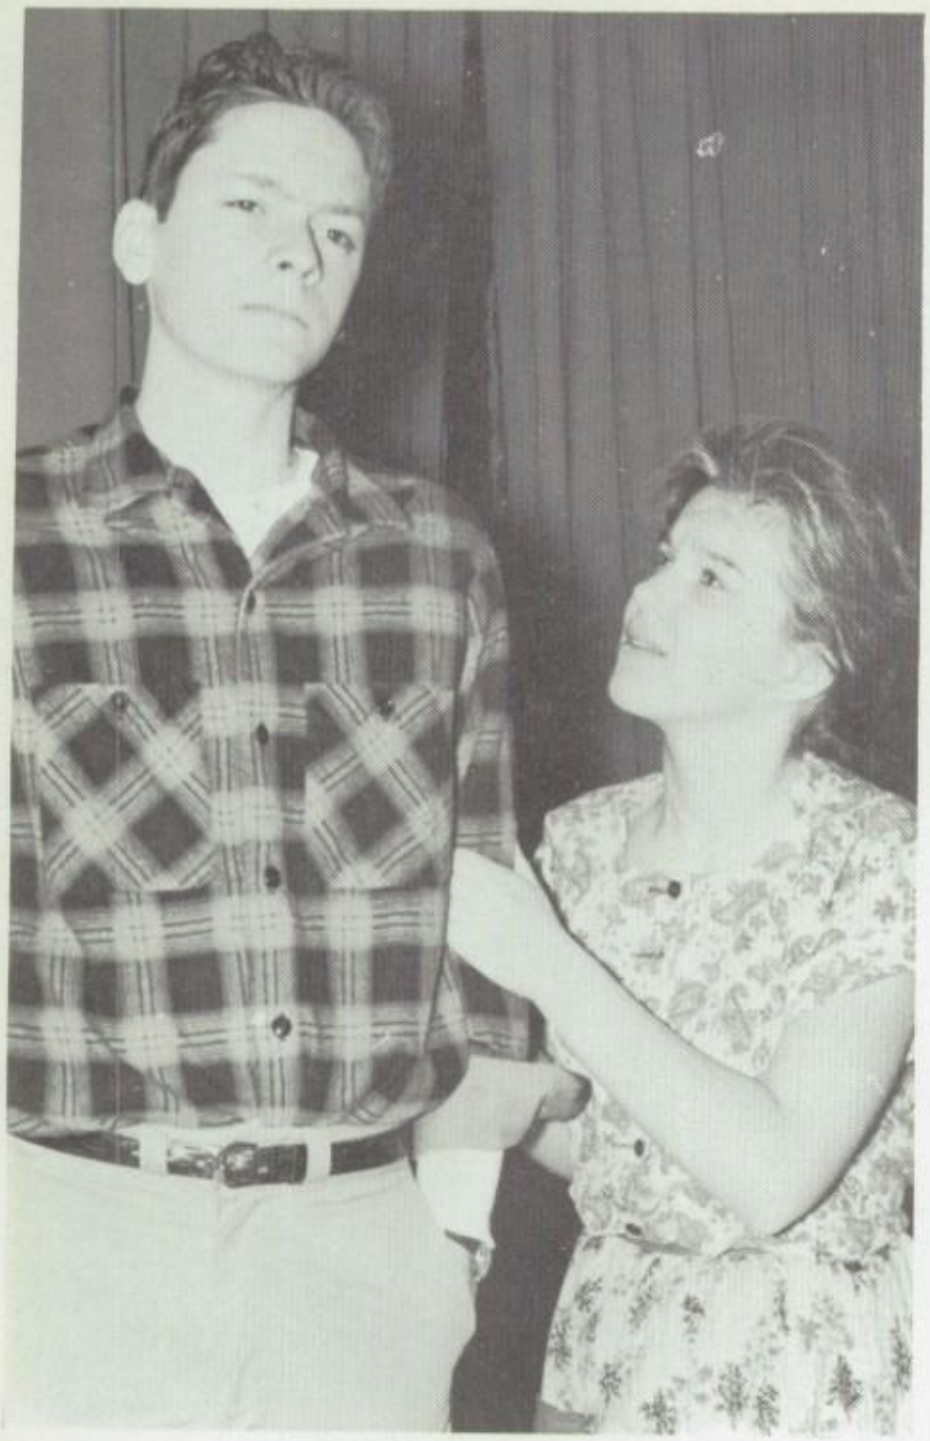
Bi-Phy-Chem club won first place for originality in Kapers. "W" club and Marchers were students' choice. Marchers presented "Death of the Eagle."

Stradinger Directs One-Act Plays

Rudy Stradinger and his casts presented three superb one-act plays this year. THE DEATH OF THE HIRED MAN was presented first on a nearly empty stage. Next, SORRY, WRONG NUMBER and THE MARRIAGE PROPOSAL were presented to the student body. The high caliber of these presentations was indicative of the talent and hard work that went into them.



Russ Price says "You can have her!" to Ed Campbell in THE MARRIAGE PROPOSAL.

Above: Doug Paterson and Marie Paul enact a dramatic scene from THE DEATH OF THE HIRED MAN. Below: Patty O'Toole and Gary Johnson rehearse for SORRY, WRONG NUMBER.

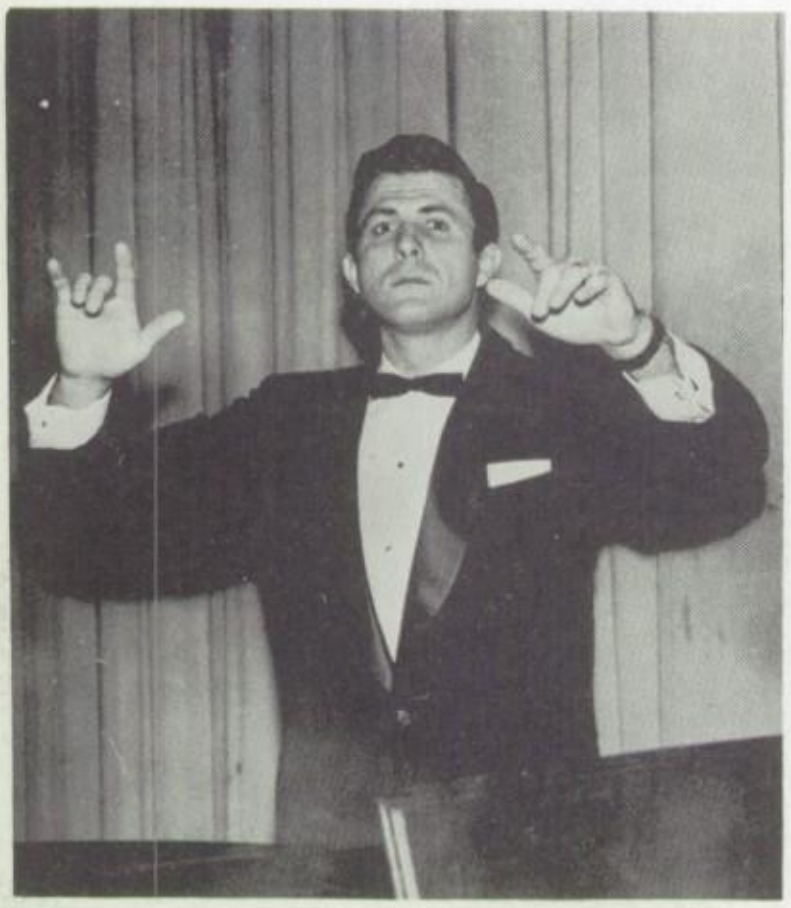
A Cappella Represented

Director Stan Rishoi prepares to direct the choir during a concert.



Director Stanley Rishoi has used some unique techniques to improve the quality of the a cappella choir this year. He has required each member of the select group to prepare a vocal solo. Also, the choir has done breathing and relaxation exercises at the beginning of each rehearsal. At times a visitor may wonder what class is being held when he walks in and hears 50 students whispering words or singing an entire song on one syllable. These are just a few of the "tricks of the trade" that make the a cappella choir so outstanding.

Dear,
Gee, I'd never forget all the slumber and make-up parties we had these past few months. Thanks for the compliment about ratting hair. We sure had fun six Girls' Risky" Blue, didn't we? "I sky was about nuts by the end of the year. We were crazy to begin with, though. Next year I hope we're six at least one class together. Have fun this summer!! Be seeing ya.

SPORTS

We are often impressed with the fact that no one person is vital to the scheme of things.

Head Coach John DeWitt (standing) confers with his assistants (left to right) Jerry McElroy, Ernie Edwards, and Gene Schlekeway.

Forming a winning team of their own are the football managers. Left to right: Bob Bierscheid, Frank Tangren, Russ Mills, and Dick DeVille.

Arrows Mount the ESD Throne

The 1961 Arrow football team had two special ingredients in winning their second ESD crown in three years. According to Head Coach John DeWitt, working as a team and always possessing a strong desire to win were the two ingredients that carried the team to a victorious season.

The Arrows stopped Montevideo 34-19 in the season's premiere. Five men hit the scoring column for the Arrows. Roger Liudahl, Tom Haggar, and Phil Lokke contributed one touchdown apiece, while veteran quarterback Doug Stonebarger added two, and Don Badenoch booted four extra points.

By pounding out an 18-0 win, Fargo-Shanley held the Arrows in check. Fargo's fullback Ron Mische reeled off 111 yards in 21 carries for an impressive 5.3 yard average.

Next on the Arrow agenda were the Yankton Bucks. The Arrows scored early and late in the game to down the Bucks 13-0. Quarterback Doug Stonebarger had a "hot" evening as he completed 10 out of 12 passes for 108 yards.

On the first road trip of the season, the Arrows traveled to Rapid City where they foiled the Cobblers with a 12-6 victory. Roger Liudahl scampered around the right end for the TD in the third period, and in the last period Raphael Mack caught a ten yard pass from Stonebarger to offset the lone Cobbler score.

The annual Ki-Yi game found the Arrows flying past the Mitchell Kernels 39-7. A balanced attack paced the Arrows as three touchdowns came by land and three by air.

The Brookings Bobcats were the only ESD team to have a halftime edge on the Arrows (14-13). However, an impressive second half carried the flaming Arrows past the Bobcats to the final score of 31-14.

The lowly Madison Bulldogs almost broke the Arrow bubble as the Arrows slipped past them 20-12. The Arrows were outplayed in everything except the scoring department, which, in this case, was enough.

After the Madison scare the Arrows bounced back strongly as they waxed the Huron Tigers 40-13. The first quarter removed all doubts as to the outcome of this game.

In the final game of the season, the Arrows dumped the Aberdeen eleven 40-20. One of the most exciting plays of the season came just before the half of this game. Quarterback Tom Haggar handed the ball to Jerry Snow who then completed a 35 yard pass to Bob Bleck to give the Arrows a narrow 21-13 margin. Roger Liudahl scored three times, while lineman Russ Price scored a touchdown when he recovered an Eagle fumble in the end zone.

Although the Arrows were definitely a dark horse at the season's start, their two important ingredients of desire and working together carried them through to clinch the ESD crown.

Stonebarger strikes again!

Gail -
I can only hope you have enjoyed the Class as much as I have enjoyed having you. You have superb maturity and ability. We shall be watching your continued progress.
Sincerely,
J. DeWitt

Arrows Place Third in ESD

Frustration marked this year's Arrow cage season. After putting together four impressive wins, the Arrows hit a slump in which they won only one of five games. Having recovered from this slump, they completed the conference by winning five of their last seven encounters. The Arrows finished third in the ESD behind perennially tough Sioux Falls and Brookings. In the finals of Sectional play, the Sisseton Redmen broke the Arrows 72-60 to represent this area in the State Tournament.

Doug Stonebarger paced the Arrows in scoring with a 14 point season average. Rich Larson was next with 10 while Bob Bleck followed closely behind with an 8.5 average.

In the two pre-season games the Arrows rolled over the two Hills' teams. Belle Fourche was the first Arrow victim as the Broncs fell 55-37. The next night the Custer defense fell apart in the fourth quarter allowing the Arrows to pull away and win 43-33.

Tigner's men began the conference as they chalked up impressive wins over Huron 50-44, and Mitchell 39-35. However, just as the team began to gain momentum they skidded from first place to fourth place. Madison started the disaster, getting two baskets in the final minute to win 43-39. Sioux Falls likewise won in the waning seconds, 46-42, as the Arrows had to foul to get the ball. The Brookings Bobcats jumped off to an early lead and held it to win going away 59-41. The Arrows then snapped their three game losing streak by winning at Yankton 46-43 in a thriller. But, Aberdeen drowned the Arrow spirits by coming from behind to win in the closing minutes 47-43.

In the second half of the round robin schedule, the cagers rallied once more as they reeled off four consecutive wins over Huron 64-46, Mitchell 73-41, Madison 70-49, and gave the leading Sioux Falls Warriors their first conference loss 57-56. The Brookings Bobcats made use of free throw accuracy as they cashed in 30 out of 35 to thwart the Arrows' hopes, 60-43. The Yankton Bucks, hungry for revenge, stopped the cagers 57-56 in an exciting game that went down to the wire. The conference season closed with the Arrows tripping the Aberdeen Golden Eagles 59-53.

At Section I play at Webster, Doug Stonebarger hit the apex of his high school career as he slashed the nets for 31 points and snared many rebounds as he led the Arrows past the Milbank crew 81-61.

In the finals the Sisseton quintet displayed tremendous ball-hawking and shooting abilities as they handily disposed of the Arrows, 72-60.

Basketball is a favorite sport of the fans at WHS. This year's Arrows certainly did not fall short when it came to exciting, thrill-packed action. The Arrows added so much to our school life, that even though they experienced some disappointing losses, their flaming victories made every student proud of his school, WHS.

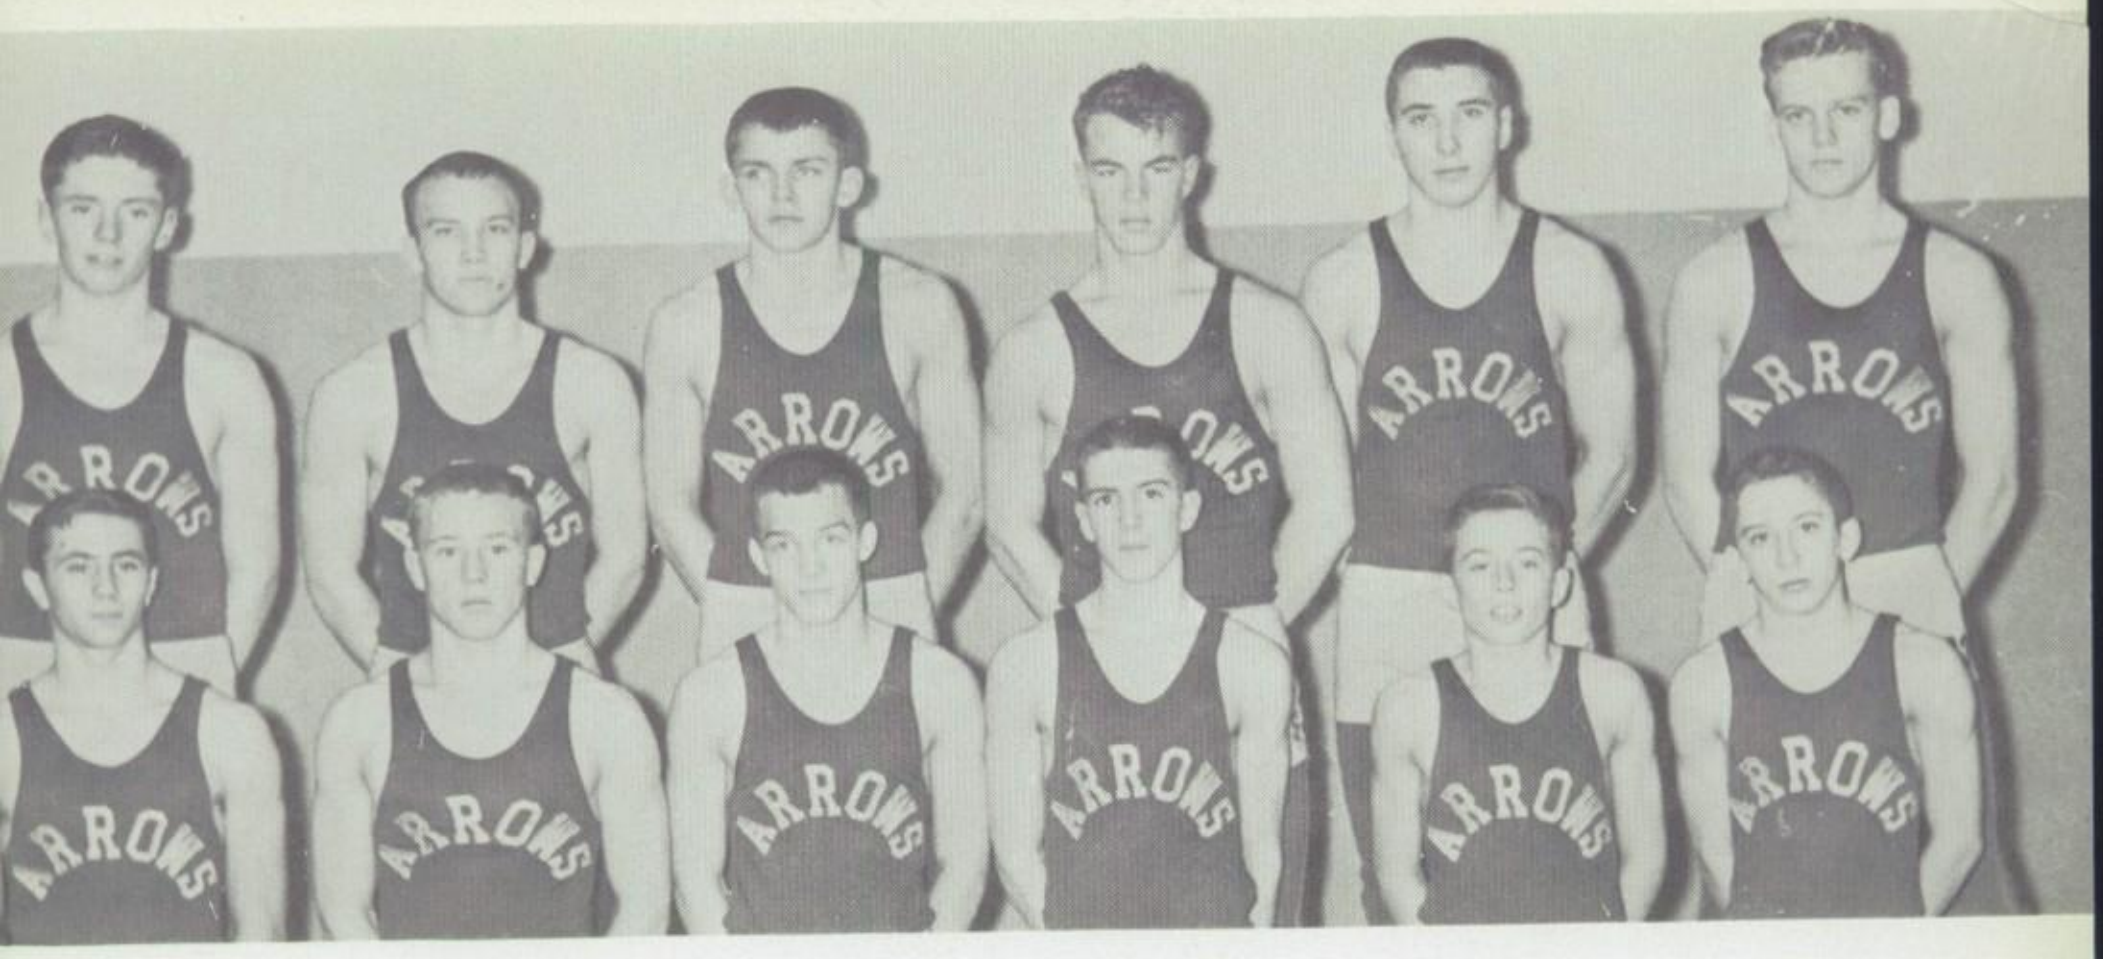
"We gotta win, we gotta win, let's go!"

"Let's get that ball and fight!"

Standing: Pete Tangren, Doug McLaughlin, Dale Wollan, Marlan Karbo, Dave Stark, Doug Holen, Mark Wicks, Steve Wareham, Ronald Hemiller, and Coach Ken Wight.

Little Arrows Are Successful

The Junior Varsity Team is, 1st row: Chuck Balsiger, Carl Glander, Ron Ohlsen, Tom Conway, Doug Cooley, Dennis Johnson, Rich Hegstrom, and Roger Byer. 2nd row: Coach Ernie Edwards, Roger York, Bob McLaughlin, Mark Huisinger, Richard Fiebelkorn, Gary Grinde, Lonnie Gray, and Mike Hurst.



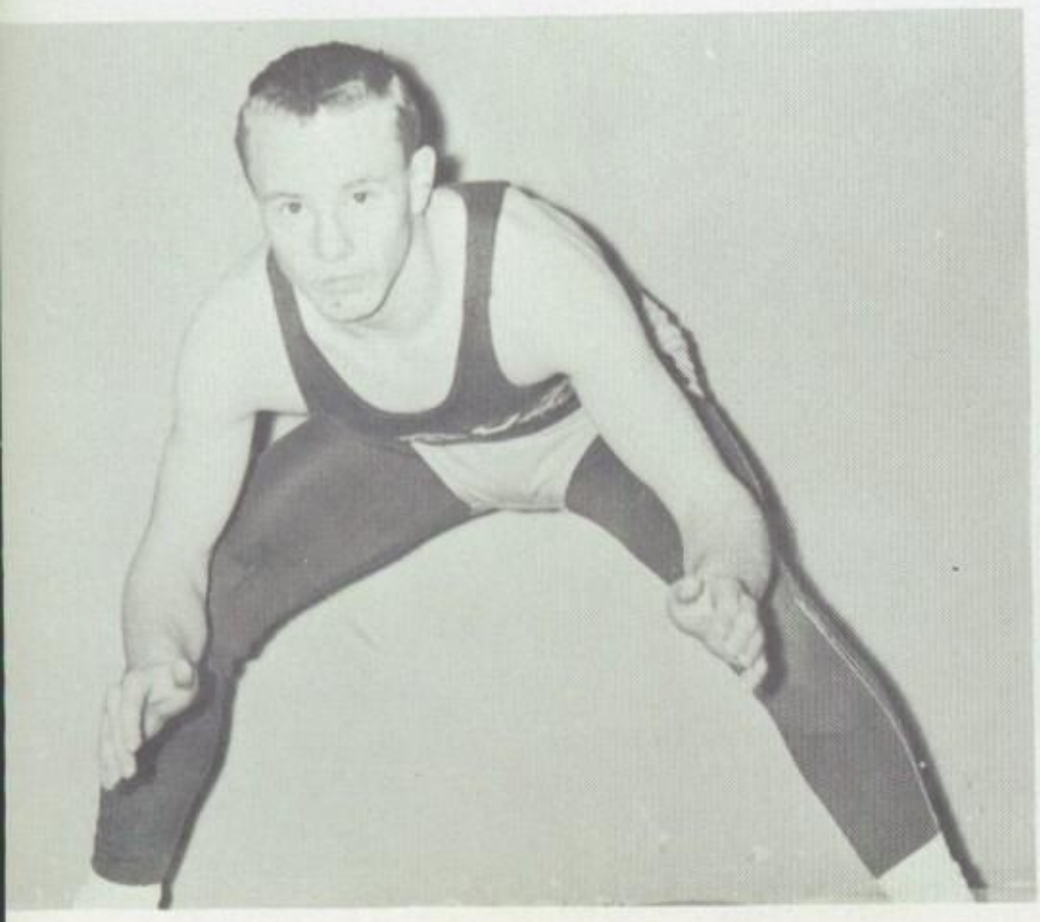
The WHS Wrestlers are, kneeling: Roger Florey, Jim Strutz, Dan Jenson, Frank Tangren, LeRoy Dally, and Rich Greig. Standing: Keith Markve, Jeff Jenson, Jerry Bergan, Chuck Beynon, Vincent Fox, and Eugene Hunter.

Strutz Captures State Crown

An inexperienced wrestling squad paced by individual hustle and a strong sense of team spirit took second place in the SoDak Wrestling Conference, second in the Conference Tournament, and fourth in the State Meet.

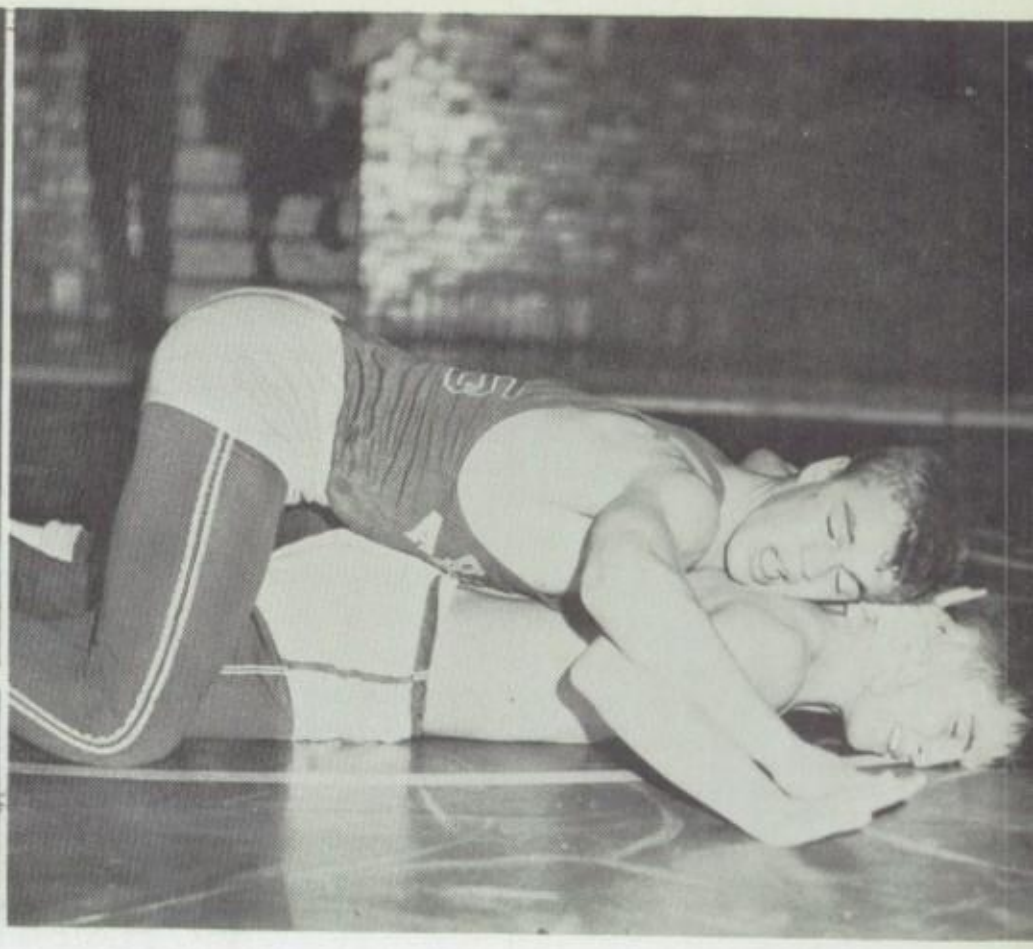
With only team captain Jim Strutz back as a regular, Coach Dudley Melichar started a rebuilding program. When the season ended, he had a better won-lost record and finished higher in the State Tournament than with last year's SoDak Conference Champs. Melichar is quick to point out that he just told the boys what had to be done and they did the work.

Jim Strutz copped the State Championship in the 138 lb. class, while having the first unblemished Arrow record of 16-0-1. He set another Arrow record by winning 12 of his 17 matches by pins.



Coach Dudley Melichar smilingly reviews the successful wrestling season with his assistant Gene Schlekeway.

Jerry Bergan is congratulated by his teammates after pinning his opponent.

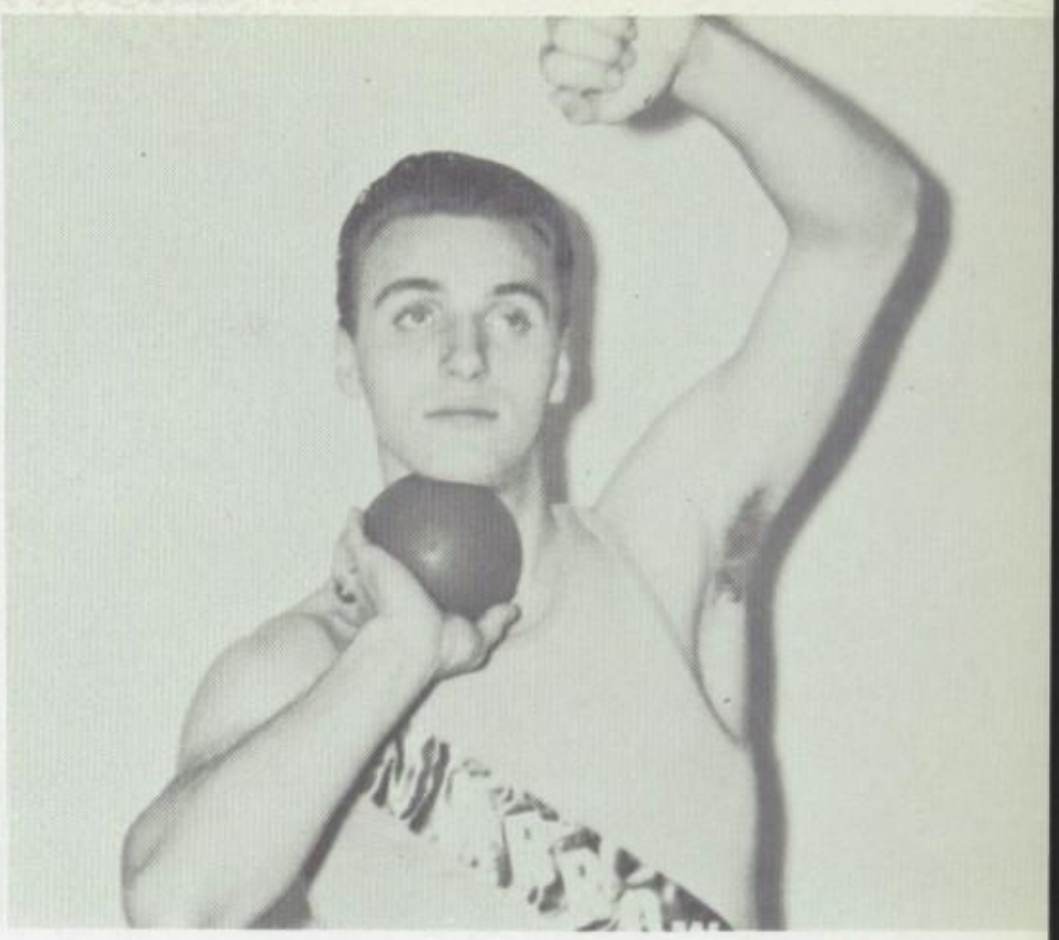


Chuck Beynon appears to have a victory hold on his opponent.

Cross Country Shows Improvement

The Cross Country team is, kneeling: Mike Lundeen, Wayne Melander, and Carl Glander. Standing: Coach Ken Wagner, Tommy Lutter, Howard Warriner, and Arlind Williams.

Letterman Bob Bleck seems to be sizing up his biggest obstacle for the track season.



Arrow weightman David Woods exhibits the superb form which made him an outstanding member of the track squad.

Team Balance Paces Melichar-Men

Distance men Rich Larson and Raymond Mack casually chat about the cinder season.

Head Track Coach Dudley Melichar seems to have just told a "good one" to his assistants John DeWitt, Gene Schlekeway, Jerry McElroy, and Ernie Edwards.

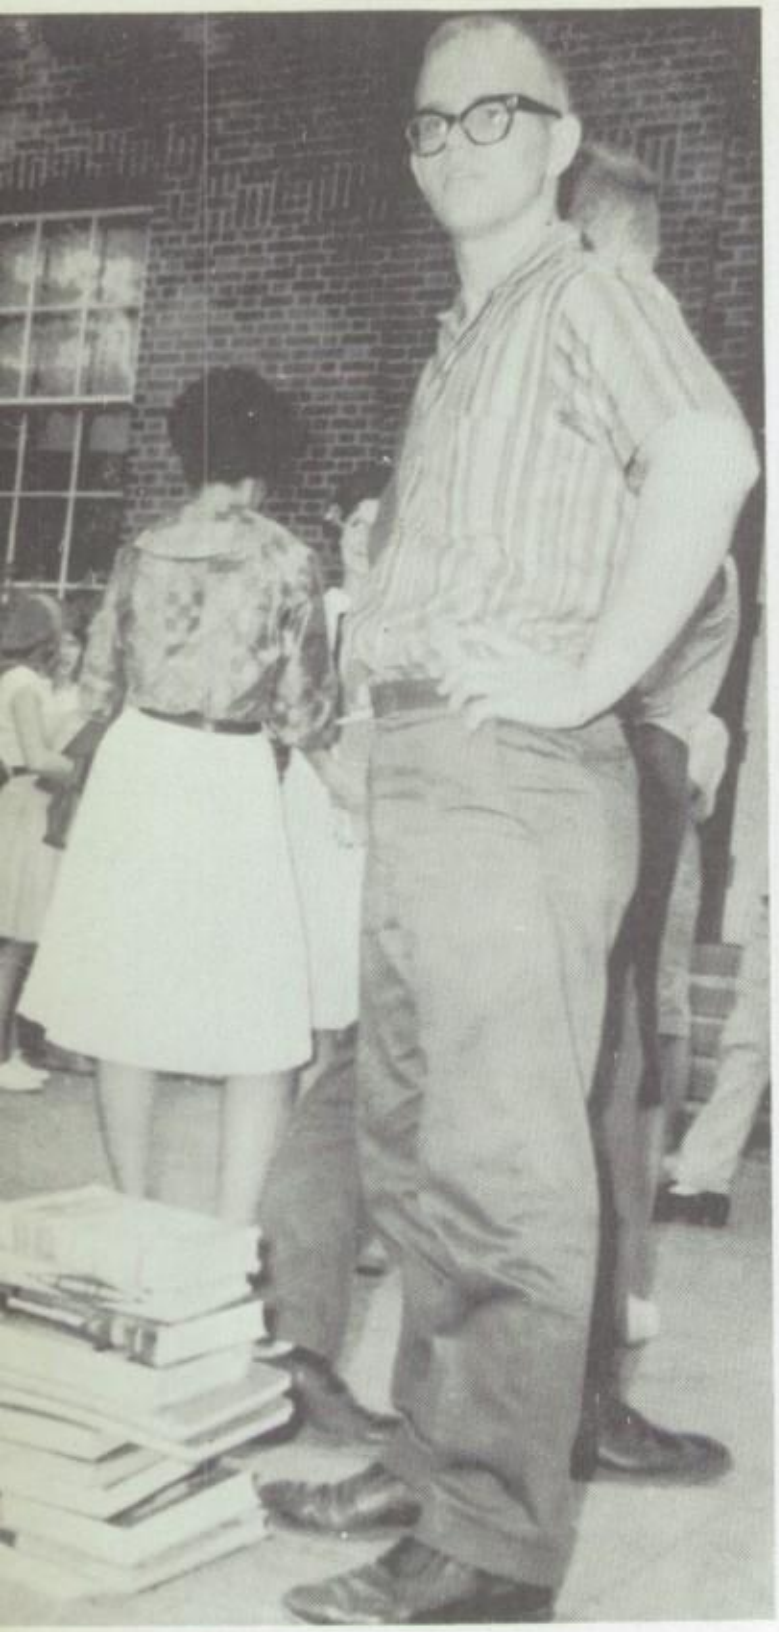
INFORMALS

What we have to do is to be forever curiously testing new opinions and courting new impressions.

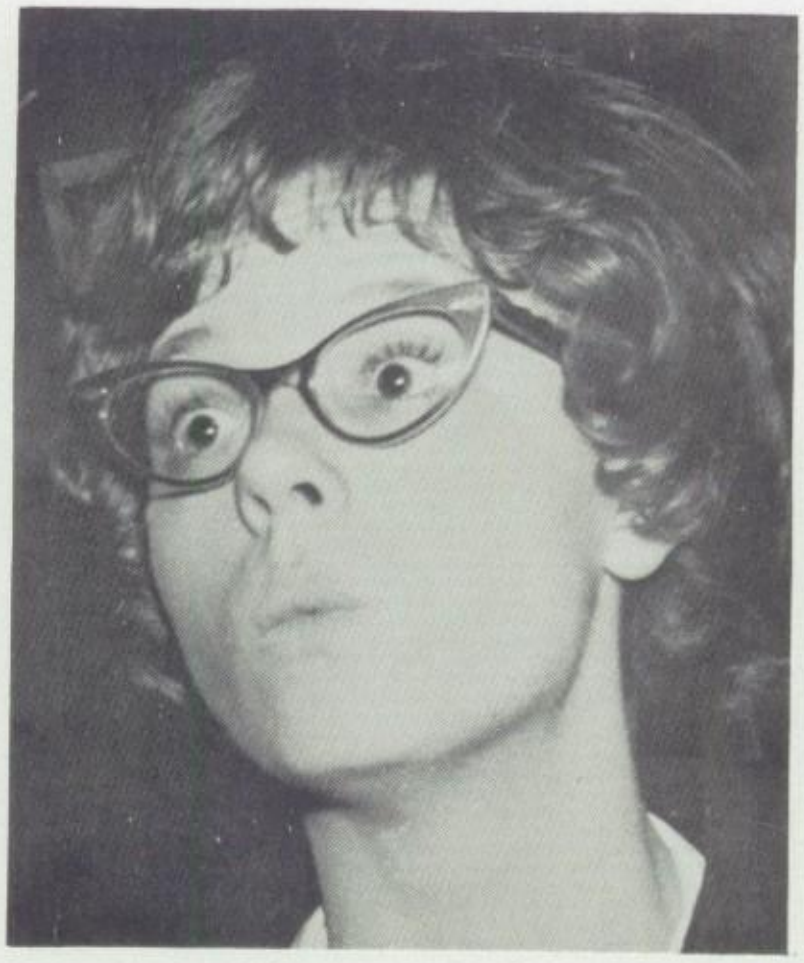


Bob Crawford's really not confused. He's just trying to figure out how to go about handling all those books.

A few of the "intellectuals" gather to jabber in the halls before classes begin.

Right: "So you want three junior musketeers? Well, here we are!" They are Doug Cooley, Chuck Balsiger, and Bob Bierscheid. Below: Is this how our WHS students enjoy a night in the "big city"?

And they say, "In the spring a young man's fancy turns to love." Which way did they go?



Left: "Well," says Chuck Balsiger, "it's fun for a gag but how do you girls do it year round?"
Above: And oh, was Liz Cummins ever surprised when the photographer said, "Hey, smile!"
Right: A happy twosome "rocks" it up at a school dance.

How many hours of beauty preparation did this require?

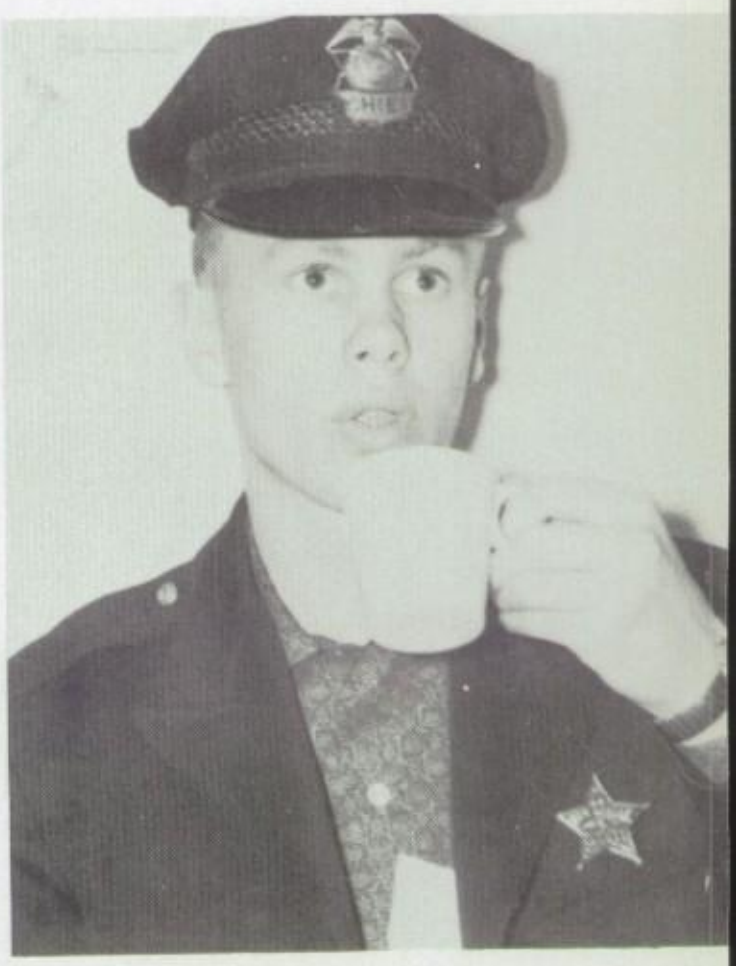
". . . To see what I could see . . . ," says Dave Edison.

Left: "It's about the funniest thing that ever happened."

Above: "Well, I'll tell you, it went like this . . ."

Right: And tell me, is this what you saw the morning after the night before?

Well, Mary Lee, is your soup hot or is it hot?



There's nothing quite like coffee to steady General Johnson's nerves.

Dail
I've really gotten to know you a lot better this year and your first as you are a wonderful friend and polite and nice. Really have a wonderful summer and I hope I see you in some of my classes next year. Thus.

Dail
It has been fun being in the same world history class with you. You knew all the answers & therefore helped make class discussion so interesting. Because you are just a interesting person anyway
Carolyn

How's it feel to be smart? Sometime you will have to teach me how. It sure have had fun together this year and I hope we can in the future. I have a great respect for you.

Enjoy yourself this summer

Gail -
Enjoy yourself this summer you deserve it.
Gary

Gail -
I sure have enjoyed working with you in various subjects this year. I enjoyed Mr. S more and was thrilled he and Mrs. Lee will be here next year. Also we should be together in Linda's class. Keep up your work and have lots of fun this summer. See you next year.
Best of luck always
Marilee Montgomery

"Gail"
Don't forget all the times we walked to English together. We had a lot of fun in Biology didn't we. Have fun this summer and best of luck.
Mary

Gail
If you go out to Lebanon next year be sure to kill me, it's a deal
Ken

Gail,
Have much fun this summer & best of luck for a real fine gal
Scott

Gail -
Don't forget the good times we had in Mr. Lee's class. Also the laughs we had in Mr. Stewart's class. Have a nice summer and good luck.
Love ya
Mary Ann

Gail -
We didn't see much of each other this year. (We were only in advisery together) Isn't that mass in Q a "mess in Q." It will get better. Hope it goes well tomorrow night. See you next year in the new school. Don't work too hard this summer, I won't.
J. Lynn T.

Gail,
Glad to have had you in my advisory. I hope to have you in my class next year in the new school. Have lotsa fun this summer and I wish you the best of luck in the future.
Mary Stamo

Gail,
This year has been fun. I'll never forget our advisery. Hope to see you lots this summer. Stay just as nice as you are now.
Pam

Gail,
It's been having Biology with you in my advisery. Have a good teacher's class. (You make a pretty good teacher.) Have fun this summer. I'll see you around Kathy

Gail,
You're such a chip! Have fun this summer, I'll see you around school. So to the beach, I'll see you there. Have a fun summer and the best of luck next year.
Paul Long

Gail,
Have a lot of fun this summer. Hope you get a lot of sleep. I'll see you around school.
Connie

Gail,
Be good & have fun this summer.
See you late & so glad I got to know ya this year
Mom (Now I've gotta work for Roger !!!?) Be a good little doctors daughter & take care two next year!
Love & Luck to a cool dear
Pat O,

Gail,
It was fun having you in World History
Take it easy this summer and see you next year.
Lots of luck.
K. Wahra

Gail,
It's been a pleasure having such a brain sit next to me in "Bug" class. I know I'll see you this summer, so till then, auf wiedersehen!
Dale Wallan

Gail, Have fun during your spring break in high school. I'll see you next year!
Lynn (Green)

Gail!
Think I'll miss you!
Don't do anything I wouldn't do!
Have a sweet "smiley" Christmas!
Love ya
Blaine Schaeffer
Jeanne Gunner
Joan Aldridge
Lindsey

Gail,
Sure hope you have a good summer anyway, Good luck in 10, Love, Ace
Yes, I do know your last name.
I could say the good things about you, but that's not the best of you.
As best of you
See you next
